Hot Issues - Senate Approps Committee - Sen. Roy Blunt, MO - April 29, 2015.doc

Hi Curtis,

OCIR is meeting with the Administrator at 9 a.m. CST to go over hot issue topics for the budget hearing.

I currently do not have: St. John's Bayou and Doe Run.

Attached are the hot issues that I will send to OCIR this evening.

Carter Carburetor Site

Ellisville Superfund Site

Missouri Lead Cleanups

West Lake Landfill Site

**Importance:** High

Good Afternoon,

The Office of Congressional and Intergovernmental Relations is requesting hot issues for an upcoming budget hearing for the Senate Appropriations Committee - Interior, Environment, and Related Agencies Subcommittee.

The R7 member on the committee is Sen. Roy Blunt/Missouri.

Please provide a hot issue brief for any site, issue or subject that Sen. Blunt may bring up at the Hearing.

Attached is the hot issue template.

Please submit to me by COB April 23.

If you have any questions or concerns, please let me know.

Thanks!

LaTonya Sanders
